

## Administrator Approval Form

Serving as an innovation trainer requires candidates to provide training for one full series.

- Pyramid Model = 3 full days of training
- Classroom Engagement Model = 1 full day and 4 half-day training
- Evidence-based Quality Intervention Practices = 3 full days and 1 half-day training

Candidates currently under contract with a district or program must obtain approval from the district or program administrator. This approval acknowledges that a candidate will be absent from assigned duties if a training day falls on a day under which the candidate is contracted to work.
